Sponsorship Opportunities

A Curated Tasting Experience
to Benefit **FLIPANY**

www.FLIPANY.org/Tasting

FLIPANY serves youth and families through collaborations with community centers, parks and other social service agencies. Our innovative programs fight childhood obesity and hunger by focusing on increasing access to healthy food, healthy food preparation, fitness education, and worksite wellness. Many of our programs include on site food demonstrations, nutrition & fitness education, and worksite wellness.

FLIPANY's Mission

To build health equity through healthy meals, nutrition education, mentored physical activities, and wellness.

“FLIPANY's work is not done until every child has the opportunity to live a **healthy life.**”

Lynne Kunins
FOUNDER, PRESIDENT & CEO

Taste & Toast

is a curated tasting experience to benefit **FLIPANY**; however, it is much more than just food and drinks!

It's an opportunity for one of our many **Chefs Up Front** featured chefs to open the doors of their own restaurant and allow guests to **TASTE** some of their personal culinary creations and **TOAST** to kicking off these unique culinary events with exquisite wines and guidance with a sommelier from **Wade Cellars by NBA star Dwayne Wade** - all while supporting helping children live their healthiest life, one taste and toast at a time.

This unique dining experience is a more intimate version of our grand **Chefs Up Front Annual Event** which we would be delighted to provide you with more information (at your request).
